The MESSAGE Never Changes - the METHODS Must

FOR NEARLY 80 YEARS...

Osborn Ministries International has proclaimed one unchanging message—**Jesus Christ**. While His Gospel is timeless, every generation deserves to hear it through the most effective means available. That is why we are **pressing forward**—reaching a new generation with integrity, biblical truth, and the life-changing power of the Gospel, equipping them to passionately proclaim Christ to their world.

This ministry has embraced every effective means to train soul winners and equip believers to continue Christ's ministry. Today, through the power of digital technology, we can place decades of proven Gospel ministry into the hands of a new generation—equipping them to reach their own nations with integrity, truth, and the transforming message of Jesus Christ. What an extraordinary opportunity!

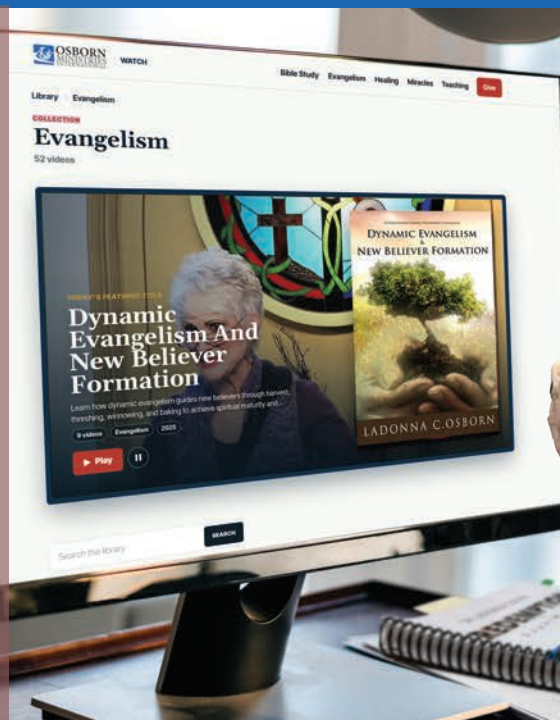

EIGHT DECADES — ONE MISSION

The focus of this ministry has always been what Jesus *began both to do and teach* (Acts 1:1) and His commission to proclaim the Good News to everyone, everywhere (Mark 16:15). Those priorities have never changed. While methods continue to evolve, our mission remains the same—to make Christ known. Jesus didn't tell His followers HOW these assignments were to be accomplished; He told them to prioritize and do these things, in His name.

Our newly redesigned website is an exciting step forward. We believe you will thank God with us as you discover these trusted Gospel resources available like never before. In just a few days the new Media Digital Library site will be available.

NEW DOOR TO THE WORLD

We carry the sacred responsibility of passing to this generation the proven truths God has entrusted to us during nearly 80 years of worldwide Gospel ministry. Today, our newly redesigned website enables us to share these trusted resources more effectively than ever before—connecting people everywhere with biblical truth, inspiring testimonies, and practical training that equips passionate soul winners to continue Christ's ministry in their own nations.

The Gospel Never Sleeps

Look at a globe or a world map. It is this vast world of nations, languages, and people that we are privileged to serve. Why? Because the Christ-centered, life-transforming Gospel is God's answer to every human need. For nearly 80 years, our ministry has been known for preaching Jesus and seeing lives transformed. We believe that Jesus Christ is the same **yesterday, today, and forever** (Hebrews 13:8). His saving power, His miracle-working power, and His transforming presence are needed every hour of every day, in every nation on earth.

The World Reaching for Truth

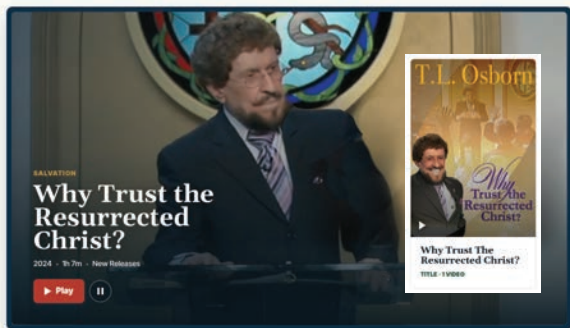

The need for trustworthy, Christ-centered Gospel training has never been greater. Through our newly designed Digital Media Library, every visit, every download, and every video viewed is another opportunity for someone to encounter Jesus, be grounded in His Word, and be equipped to proclaim His Gospel.

We Are PRESSING FORWARD – Together

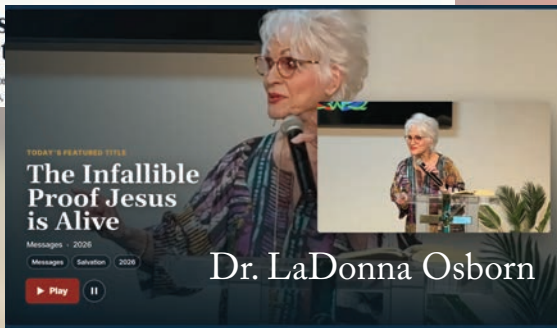

For nearly 80 years, faithful partners have made every step forward possible. Every prayer, every gift, and every act of generosity has extended the reach of the Gospel to another person, another family, another nation. Today, through new technology, we are sharing that same life-changing message in fresh and accessible ways—while equipping a new generation with the message and methods that have been proven to work. Together, we are not only proclaiming the Gospel—we are preparing others to do the same.
